ADMINISTRATION REPORT

- Mrs. Bryant announced that the millage was not successful and that the Parish would be having discussions on how to move forward without additional funding or beds in the juvenile detention center. Mrs. Bryant explained that the Parish has tried the tax approach several times and that the citizens repeatedly do not support additional taxes. Next week admin will report on the problem with criminal justice and issues funding moving persons through the criminal justice program. Mrs. Bryant reported on the population in juvenile detention. Mrs. Bryant announced that Mrs. Barnett was elected as the president of the Government Finance Office of Louisiana and that Mrs. Bryant made a presentation to National Association of Housing and Redevelopment on the success of the Parish's ERAP program. Mrs. Bryant advised that the budget presentation would be rescheduled to Tuesday, December 5, 2023. The Budget adoption would be on December 5, 2023. Mrs. Bryant indicated that the September 2023 Financials were provided to the Commission.

COMMISSION REMARKS

- Mr. Atkins clarified the population of the OJJ custody of juveniles in detention with Mrs. Bryant. Mr. Walker explained that OJJ has 14 days to move juveniles to their appropriate placement, which extends past the fourteen day mark often due to the minimal capacity in the facility. Mr. Walker advised that the facility in Monroe is being restored and adding capacity, and that there may be a new facility in Baton Rouge that may be years before it reaches completion.
- Mr. Johnson inquired about funding for the federal and state prisoners at CCC that the Sherriff operates and the Parish owns. Mrs. Bryant indicated that the parish does not receive funding for non-parish prisoners. Mr. Johnson discussed how the funding is disbursed between the Sherriff's Office and the Parish. Mrs. Bryant advised that medical and utilities are higher due to the capacity of the CCC. Mrs. Bryant indicated that the Administration projects a transfer from a fund to balance the budget for 2024 because the revenue does not cover operations at CCC. Mr. Johnson discussed finding the root cause of juvenile activity, and the placement of juveniles based on the severity of crimes. Mr. Johnson discussed the Parish explaining services that are not available due to the failure of the millage and talked about dedicated funds.
- Mr. Burrell discussed the public issue of the millage, and the need to offset the cost of operating the Juvenile Detention Center. Mr. Burrell requested the Administrator reach out to work with the newly elected Sherriff about reinvesting the Sherriff Department's funding into the juvenile detention and correctional center. Mrs. Bryant explained that the Parish funds every level of the criminal justice system including Juvenile, CCC, District Attorney, and District Court, but the Parish does not receive that level of dollars that is being paid out.

Mr. Burrell discussed the recent election winners and the possible run off election. Mr. Burrell discussed voting.
