Mr. Floyd explained that the Commission's Redistricting Plan AA-1 added eight precinct splits which would have had 156 precincts, 423 vote machines and 750 Election Commissioners. Mr. Floyd explained that the merge precinct plan would reduce the number of precincts to 128, 405 vote machines and 679 Election Commissioners. Mr. Floyd reviewed workers to administer and operate elections, population gains and losses that affected Commission districts, and the ability to review precincts for state law compliance. Mr. Floyd explained his process to create the merge precinct plan to make voting convenient and operate elections efficiently.

Answering Mr. Hopkins' inquiry about precinct merger affects on small towns, Mr. Floyd explained that the precinct merger created one voting place for one precinct. Mr. Floyd explained the precinct name changes from an alphanumeric numbering system to a consistent precinct number that includes the Commission district. Answering Mr. Atkins regarding communication with registered voters of the precinct change, Mr. Mike Spence explained that registered voters would receive a letter and their voter registration card.

There being no one else to speak in favor or against these ordinances, the President closed the public hearing on ordinances.

RESOLUTION NO. 40 of 2023 BY THE CADDO PARISH COMMISSION: A RESOLUTION URGING AND REQUESTING THE UNITED STATES CONGRESS TO ENACT BIPARTISAN BILLS TO ADDRESS THE MEDICAID INMATE EXCLUSION POLICY, AND TO OTHERWISE PROVIDE WITH RESPECT THERETO. WHEREAS, Congress is currently negotiating the reauthorization of the Substance UseDisorder Prevention that Promotes Opioid Recovery and Treatment (SUPPORT) for Patients and Communities Act of 2018, which expires on September 30, 2023; and WHEREAS, currently the Medicaid Inmate Exclusion Policy (MEIP) strips federal health benefits from individuals admitted to jail before they are convicted of a crime. This policy violates an individual's constitutional rights and fundamental presumption of innocence, strains our local judicial, law enforcement, public safety and human services systems, and results in higher rates of recidivism and poorer health outcomes in our communities. Additionally, this policy contributes to the over-incarceration of individuals suffering from mental and behavioral health crises, making jails the largest behavioral health providers in the nation; and WHEREAS, the MEIP taxes citizens with the exorbitant burden of inmate healthcare costs; and WHEREAS, this burden is aptly illustrated by the costs of inmate healthcare borne by Caddo Parish Citizens over the last six years; and 2018-\$3,988,340 2019-\$4,559,256 2020-\$4,710,493 2021-\$4,610,693 2022-\$5,115,856 2023-\$5,350,000 (budgeted) WHEREAS, as part of the negotiations reauthorizing the Substance Use-Disorder Prevention that Promotes Opioid Recovery and Treatment (SUPPORT) for Patients and Communities Act, Congress has an opportunity to address the authorization of key programs within the Act; and WHEREAS, two acts, The Reentry Act (H.R. 2400/S.1165) and The Due Process Continuity of Care Act (H.R. 3074/S.971) would ease the burden of paying for healthcare for pretrial detainees. NOW, THEREFORE, BE IT RESOLVED by the Caddo Parish Commission in due, regular and legal session convened, that the Caddo Parish Commission does hereby urge and request the United States Congress to support the inclusion of the following bipartisan bills that would address the Medicaid Inmate Exclusion Policy (MIEP):

- The Reentry Act (H.R. 2400/S.1165), which would allow Medicaid payment for medical services furnished to an incarcerated individual during the 30-day period preceding the individual's release. λ The Due Process Continuity of Care Act (H.R. 3074/S.971), which would allow pretrial detainees to receive Medicaid benefits at the option of the state. BE IT FURTHER RESOLVED that a copy of this resolution be forwarded to the Louisiana Congressional delegation; BE IT FURTHER RESOLVED that a copy of this resolution be forwarded to the United States House of Representatives and Senate as well as the chairs of the House of Representatives and Senate Appropriations Committees; BE IT FURTHER RESOLVED if any provision or item of this resolution or the application thereof is held invalid, such invalidity shall not affect other provisions, items or applications which can be given effect without the invalid provisions, items or applications, and to this end, the provisions of this resolution are hereby declared severable. BE IT FURTHER RESOLVED that this resolution shall take effect immediately. BE IT FURTHER RESOLVED

that all resolutions or parts thereof in conflict herewith are hereby repealed.
