

**To: Caddo Parish Commission**

**From: Dr. Jimmy Jones**

I am writing to express my strong interest in serving on the Charter Review Committee. With a background in critical research, I am adequately prepared to contribute to building and developing the committee's charter. My experience developing organizational structure for relative matters through consensus meetings, provided me the skills required to foster constructive conversations and solution-based across multiple organizations. Additionally, my engagement in researching the nature and function of steering committees has improved my ability to recognize and accommodate the many requirements and perspectives that may arise throughout the charter revision process.

I appreciate your consideration of my nomination. Having the opportunity to add to the significant work being done by the Charter Review Committee is very encouraging to the constituents of Caddo Parish.

*Regards,*
