RE: Appointment to Charter Review Commission

I am writing to express my interest and formally apply for the appointment to a position within the Charter Review Commission. I am eager to contribute my skills, experience, and passion to the commission's important work, and believe that my background aligns well with the commission's objectives.

I have had the opportunity to closely observe the efforts of the Commission over time and have been inspired by the practices utilized in addressing issues such as the Lighthouse Project, a project designed to facilitate the needs of citizens in case of a catastrophic emergencies, such as was last summer's heat wave. As a committed citizen, I am driven to participate in initiatives that advance causes that promote what's always in best interest of the citizens of the Parish of Caddo.

My experience in business, secretarial, has equipped me with a solid foundation in formulating language that supports transparency of any issue or item addressed. Additionally, as a member of Caddo Alliance for Freedom, we were successful in passing House Bill 962 ensuring property rights of rural property owners would not be violated, that effort along has provided me with valuable insights into effective Commission operations and decision-making processes.

I firmly believe that my skills in critical thinking, problem solving and my ability to bring forth a win for citizens of Caddo Parish would make me an asset to the Commission. I am confident in my ability to actively contribute to the commission's goals and collaborate effectively with other commission members.

I can serve on the Charter Review Commission for the period assigned. I assure you that, if appointed, I will dedicate my time and effort to fulfilling the responsibilities of the position to the best of my abilities.

Thank you for considering my letter of interest for this position, Charter Review Commission. I eagerly anticipate the opportunity to contribute to the commission's endeavors and look forward to the possibility of working alongside fellow dedicated individuals.

Sincerely,

Mrs. Jon Shaffer Glover
