The Caddo Parish Public Safety Funding Ad Hoc Committee met in legal session on the above date, at 2:40 p.m., in the Government Plaza First Floor Conference Room, with Mr. Epperson, Chairman, presiding, and the following members in attendance: Commissioners Atkins, Burrell, Cothran, Chavez, Epperson, Gage-Watts, Jackson and Young (8). ABSENT: None (0).

The invocation was given by Mr. Young, and Mr. Chavez led the Commission in the Pledge of Allegiance.

**NEW BUSINESS**

Mr. Epperson requested the Administration provide an update regarding tree and debris pickup. Mrs. Bryant explained that debris pick up was ongoing, that District 12 and 10 was being worked on, and that there was no specific deadline for debris pickup. Mrs. Bryant reported that the Parish is working with the Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP) to receive 75% reimbursement for debris removal and that the Administration is coordinating with the City of Shreveport for the City to receive 75% reimbursement as well.

The Chair requested the Clerk to report on the invitation to Homeland Security and the Public Service Commission to attend the meeting. The Clerk advised that a response was not received from the Public Service Commission and the Homeland Security was unable to attend. The Clerk explained that the Homeland Security Department was assisting the Small Business Association with setting up a Disaster Loan Outreach Center. Mr. Epperson discussed the staffing and business of the Homeland Security Department. Mrs. Bryant indicated that the Administration would confirm specific dates and a representative from the Homeland Security. Answering Mr. Burrell, Mrs. Bryant discussed the Parish's precedent to declare an emergency and the Homeland Security Department's responsibility to coordinate the processes of the emergency.

- Follow Up Discussions From August 2nd Meeting Regarding Storm Response, Recovery, Etc.

Dr. Martha Whyte, Medical Director with Public Health, discussed the change from tracking covid by case numbers to an Emergency Room (ER) surveillance system through Sentinel Physician Offices. It was explained that covid would be treated like the flu by tracking treatments to covid-like illnesses. Dr. Whyte explained covid variants from the omicron strain and the new covid booster vaccine to defend against the new covid variants. Dr. Whyte explained the rapid spread of the new omicron variants and how significant the symptoms were. Mr. Epperson discussed the expensive cost of covid tests at emergency clinics since the national emergency for covid was rescinded, which Dr. Whyte indicated that she would research the cost of covid tests. Dr. Whyte indicated that covid would be around like the flu.

Mr. Michael Corbin, External Affairs Manager AEP SWEPCO, reported that work crews seek out dead limbs hung in trees or have fallen from trees, and that the abundance of large limbs and trees that have caused scattered outages. Mr. Corbin explained that SWEPCO is a unique operating company within AEP and that SWEPCO reports to AEP. Mr. Corbin indicated that SWEPCO makes their decisions locally and are partners with the Public Service Commission of Louisiana. Mr. Corbin discussed vegetation management and how SWEPCO implements tree/bush burning. Mr. Epperson discussed citizen concern about a utility company's responsibility to clear vegetation growth on utility poles and lines. Mr. Epperson suggested SWEPCO do aggressive tree trimming. Mr. Corbin explained that SWEPCO trims vegetation to protect its power lines and does not trim phone lines. Mr. Epperson suggested SWEPCO collaborates to target overgrowth on power lines. Mr. Corbin discussed how trees impact utility service. Answering Burrell, Mr. Corbin explained that ATT owns over one third of poles in Shreveport and SWEPCO may clear vegetation from poles that may not be a hazard to the utility service that SWEPCO provides. Mr. Corbin clarified that the expectation for SWEPCO to do all trimming to protect every wire on a pole including wires that are not electricity would impact utility rates. Mr. Corbin discussed the lack of tree maintenance for trees near utility lines and that SWEPCO is not responsible to tell other utility service providers to clear their utility lines.

Answering Mr. Chavez about one-sided tree trimming causing leaning, Mr. Corbin explained SWEPCO's responsibility to protect its assets and the controversy of tree trimming.

Mr. Cothran inquired about leaning poles, which Mr. Corbin explained SWEPCO'S process to address the hazard and provided 888-316-2523 as the number to report

It was **moved by Mr. Epperson**, seconded by Mr. Cothran, *to recommend that there be a Citizens Disaster Response, Recovery and Review Committee.*

Mr. Epperson discussed the purpose of the citizen committee to represent the community

and that the citizen committee would consist of one individual from each Commission district and one citizen appointed from the Administration.

Motion carried, as shown by the following roll call votes: Commissioners Burrell, Cothran, Chavez, Epperson, Gage-Watts, and Jackson (6). NAYS: Commissioner Atkins, and Young (2). ABSENT: None (0). ABSTAIN: None (0).
