Caddo Parish Commission
Mr. John-Paul Young, President
P.O. Box 1127
Shreveport, LA 71163

President John-Paul,

This letter is to inform the Caddo Parish Commission that David Hoey was removed from our Board effective December 16, 2024 due to his inability to meet the attendance requirements outlined in our by-laws. A replacement representative is needed to maintain the integrity of the Board and to assure your parish is represented.

You may remember that the Northwest Louisiana Human Service District is a statewide integrated human services delivery system, with local accountability and management provided through a Board of Directors for behavioral health and developmental disabilities services.

We respectfully ask that you identify and appoint a replacement representative for your parish. Act 73 of the 2017 Louisiana regular session sets the required composition of our Board to include members with professional or personal knowledge in mental health, addictive disorders, developmental disabilities, finance, the judiciary, specialty courts, law enforcement, school-based healthcare, public health, or the coroner's office. Your representative must also live and/or work in Claiborne parish.

Please let us hear from you by official letterhead or meeting minutes as to who your appointment is so that your parish can have representation on our Board going forward. Should you or any other members of the Caddo Parish Commission have any questions or concerns regarding this request, please feel free to contact me in-office at (318) 676-5128, by cell phone at (318) 423-4202 or by email at douglas.efferson@la.gov.

Doug Efferson, Executive Director
