# THE GREAT CADDO GEOCACHE ADVENTURE

# CACHE ME OUTSIDE

## EVENT SCHEDULE

### 9:00AM – Check-in & Kickoff

- Sign in at the event booth.
- Receive the official Geocache List & Clue Sheet. (This can be a come and go event. It will go live on website.)
- Learn the rules and how to scan QR codes to log your finds.

### 9:15AM – The Hunt Begins!

- This can also be a come and go event. It will go live on website.
- Use GPS coordinates and clues to find caches hidden throughout the park.
- Each cache will have a unique QR code—scan it to log your find!
- Some caches contain special tokens for additional prizes.

### 12NOON – Midday Meet-Up & Lunch Break

- Bring your own lunch or enjoy provided snacks and refreshments.
- Meet fellow geocachers, swap stories, and trade trackables.

### 3:30PM – Last Call for Finds

- Be sure to scan all QR codes before heading back to the event area.

### 4:00PM – Award Ceremony & Prizes

- First-to-Find Awards (for the first to log each new cache)
- Most Caches Found (tracked via QR scans)
- Best Geocaching Team Spirit
- Funniest Cache Find Story
- Best Geocaching Outfit (dress for adventure!)

### 4:30PM – Event Wrap-Up & Final Meet-Up

- Trackables exchange and farewell gathering.
- Announcement of where caches will be relocated throughout Caddo Parish.

### ALL DAY | Special Challenges & Mini-Games

- **Microcache Madness** – Find the smallest caches (as tiny as an acorn!).
- **Speed Run Challenge** – Find a set number of caches the fastest.
- **The Mystery Cache** – Solve a riddle to unlock coordinates.
- **Nature Detective** – Identify plants and wildlife clues at designated caches.

### Geocache Details

- All caches will be listed on Geocaching.com prior to the event.
- Caches vary in size—some as small as an acorn!
- Instead of logbooks, scan the QR code in each cache to log your find.
- Some caches include trackable items—trade responsibly!

*After the event, caches will be redistributed to Caddo Parish parks for ongoing geocaching fun.*

### What to Bring

- GPS device or smartphone with the Geocaching app\*
- Phone camera or QR scanner for logging finds
- Water, snacks, and sun protection
- Notebook & pen for puzzle-solving
- Small tradeable items (for trackable caches)
- A sense of adventure!
