<p>On Sunday 3/30/25 at approximately 329pm. ACO Hyman 11 and myself arrived at 857 E Stoner St in reference to a bite. Upon our arrival we observed multiple dogs at large in the park with multiple citizens present. We made contact with the victim Devin Salvaterra who stated he was bitten on the right hand by the dog owners dog while in the dog park. The dog owner Quinton Daniels white/grey terrier "Ezekiel" was roaming the dog park and ran into the victims dog while it was playing frisbee. The victim grabbed the bite dog to return it to its owner when he was bit. The dog and it's owner had left the scene before our arrival. We were provided the owner's information by the SPD dispatcher. I made contact with Assistant Director Kelvin Samuels regarding the incident due to it being the dogs 3rd bite in less than a year and the incident happening in the dog park. I was informed by Mr. Samuels to conduct the bite as normal and inform the owner the dog needs to be quarantined at a licensed vet for the bite. He also stated that Field Supervisor Baker and himself with review the case to see if further actions will be taken. Attempted to make contact with the dog owner on the listed number and my calls were forwarded to voicemail after trying twice. I sent him a text requesting a call back regarding the incident. The owner called back and I informed him that the dog would have to quarantine at its vet and the case will be reviewed. He understood. Call ended. Officers cleared the scene. Thomas</p>
