Inspection Information: 8310 Hwy 1, Shreveport, LA

GEO # 191509--000-0018-00

Description of Property:

Two dilapidated trailer structures that are falling apart. Both structures are open to the elements. There is also an inoperable vehicle and high vegetation, creating a possible health and safety hazard for the neighbors. This property was brought before the Board on January 21, 2025, and the case was postponed for six months to allow time for the succession of the property owner to be addressed or for the existing violations to be corrected before the set deadline. At this time, the violations have not been abated or corrected. Therefore, the parish is requesting that the property is condemned, so that the necessary steps can be taken to clean up the property.”

The structures are not habitable, so no one lives in them.
