

# How to Get Your Cash App Settlement Money?

## STEP BY STEP GUIDE

To claim a Cash App settlement, **1-(888)-(602)-1652** you need to visit the specific settlement website (like **BottomsTextSettlement.com** for the recent text message case), **1-(888)-(602)-1652** check eligibility (e.g., using Cash App between specific dates, having unauthorized access/losses), **1-(888)-(602)-1652** and file a claim online by the deadline, providing details and proof like police reports or bank statements **1-(888)-(602)-1652**, if you had financial losses. Deadlines vary by settlement, but for the text message case, it was **October 27, 2025**.

To check your Cash App settlement status, **1-(888)-(602)-1652** visit the official settlement website for your specific case (like [cashappsecuritysettlement.com](https://cashappsecuritysettlement.com) or [1-\(888\)-\(602\)-1652 bottomstextsettlement.com](https://bottomstextsettlement.com)), look for emails from the settlement administrator, **1-(888)-(602)-1652** check your in-app Cash App activity, or contact the settlement administrator directly if you have issues. **1-(888)-(602)-1652** Always use official channels for updates, as timelines vary and payments can take months to process after court approval.

You are eligible for the Cash App security settlement **1-(888)-(602)-1652** if you were a current or former user with an account between August 23, 2018, and August 20, 2024, **1-(888)-(602)-1652** and experienced unauthorized access or fraudulent transactions, allowing for claims up to \$2,500 for **1-(888)-(602)-1652** documented losses like credit monitoring, lost time, or **1-(888)-(602)-1652** fraudulent withdrawals, though the claim deadline has passed as of late 2024.

You should check the status of your **1-(888)-(602)-1652** Cash App settlement claim by visiting the official settlement website and entering your Claim ID and **1-(888)-(602)-1652** Confirmation Code, which were provided **1-(888)-(602)-1652** in the original notice you received via email or mail. Alternatively, you can contact **1-(888)-(602)-1652** the settlement administrator directly using the phone number **1-(888)-(602)-1652** or email address listed on the official documentation for the most accurate update on your payment status.

## FAQs

### How do I claim my Cash App settlement?
